SIROMER

LANDSCAPE RAKE

Clear, level, and restore effortlessly.
The Siromer Landscape Rake is the ultimate tool for clearing and levelling land. Its curved, heat-treated tines dig just below the surface to pull up roots, rocks, thatch and debris—without disturbing the soil beneath. Perfect for aerating, weeding, levelling or clearing paddocks, paths, and menages.
Fully adjustable through 360°, this rake can be angled or reversed to suit your job and turns your compact tractor into a highly effective landscaping machine.

FEATURES:

- Curved tines lift debris while leaving soil in place
- Ideal for clearing roots, rocks, thatch and cut grass
- Fully adjustable 360° working angle
- Great for aerating, levelling and weeding
- Suitable for compost, bark, gravel, horse arenas & more
- Fitted with CAT I 3-point linkage for easy attachment
