

SIROMER

FINISHING MOWER

For a perfect cut, every time.

Siromer finishing mowers are ideal for lawns, sports pitches and well-maintained paddocks, Siromer Finishing Mowers deliver a close, fine cut thanks to their three-blade design and adjustable height. Rear discharge ensures an even spread of cuttings, while the floating top link and self-aligning wheels maintain performance on uneven ground. Built for durability with a galvanised deck and easy maintenance system.

FEATURES:

- 3-blade design for a precise, professional finish
- Rear discharge and floating top link for even results
- Adjustable cutting height: 2-4"
- 4 solid self-aligning wheels for consistent mowing
- Unique greasing system – no guard removal required
- Galvanised deck for long-lasting protection (non-galvanised also available)
- Heavy-duty chains, CAT 1 lift pins and PTO shaft included

Model	Width	Weight kg	HP Required
