Finger Bar Hedge Trimmer

Siromer Hedge Trimmers are designed to fit industry standard CAT I linkages. Siromer's F60 finger bar hedge trimmer has an impressive vertical reach of 3.5m and horizontal reach of 3.7m whilst being able to cut on top of a 2.5m hedge. Fitted with a double hydraulic pump and run off the tractors PTO, allowing the blade to keep oscillating whilst the head is being maneuvered.
