

SIROMER Equipment

Your Tractor's Best Friend

Hedge Trimmer

With a 4.5m horizontal reach and 3.7m vertical reach, capable of cutting on top of a 2.5m hedge.

This hedge trimmer is fitted with a PTO driven hydraulic pump, which means the hedge trimmer is independent of the tractor's hydraulics.

Fitted with a 1.3m flail head.

50 – 90 HP

Category II three-point linkage.
