

SIROMER

MANUAL BACK BOX

Simple. Strong. Built to carry.

Whether you're moving firewood, fencing gear, feed, or tools – Siromer's Manual Tipping Transport Boxes are built to take the load. Galvanised for durability and fitted with a heavy-duty independent tipping hitch, they're a tough and practical solution for everyday carrying jobs.

FEATURES:

- Galvanised steel for long life
- Removable rear door for easy loading/unloading
- Heavy-duty tipping with independent hitch mechanism
- Three-point linkage mounted – CAT I
- Available in three sizes
