Your Tractor's Best Friend

Finger Bar Hedge Trimmer

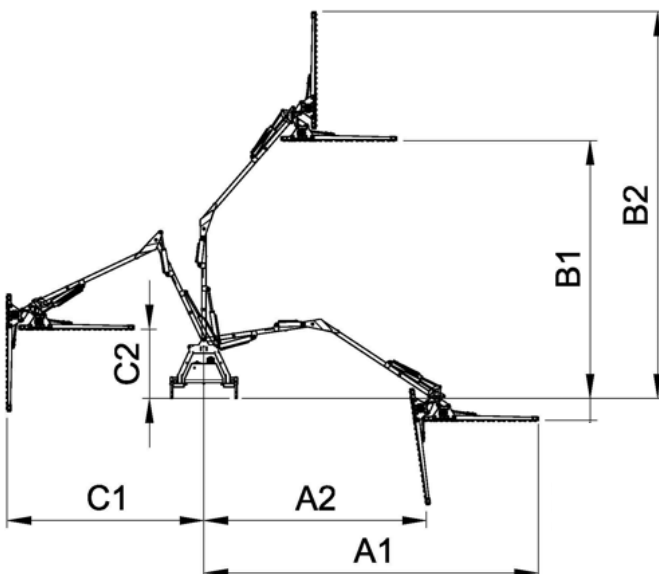

A lightweight hedge trimmer complete with a 1.9m cutting head. Uses the tractor PTO to drive. Siromer's F61 finger bar hedge trimmer has an impressive vertical reach of 5.2m and horizontal reach of 4.9m whilst able to cut on top of a 4.1m hedge.

With the ability to cut on the left or right hand side.

Fitted with a double hydraulic pump requiring an oil flow of 30l/m.

This allows the head to keep oscillating whilst being adjusted.
