Your Tractor's Best Friend

SIROMER FEL HEDGE TRIMMER

The front end loader hedge trimmer has many advantages such as simple operation, low noise, and lightweight.

It can be fitted to tractors, compact tractors, yard loaders as well as wheel loaders, and front loaders using Euro adaptors. The cutting device is powered through the tractor's hydraulic system.

MODEL	Weight	Oil pressure needed	Max branch width
F50	270 kg	140-180 bar	30mm
