

SIROMER Equipment

Your Tractor's Best Friend

Hedge Trimmer

Siromer's high-reach flail hedge trimmers are fitted with a PTO driven hydraulic pump, which means the hedge trimmer is independent of the tractor's hydraulics.

Come fitted with a 1.3m flail head.

Category II three-point linkage.

| Model | Horizontal reach | Vertical Reach | Hedge Height | HP required |
|-------|------------------|----------------|--------------|-------------|
| G42 | 4.5m | 4.9m | 2.5m | 50-90 |
| G43 | 5.5mm | 5.7m | 2.7m | 90-150 |
